First Stop Health Virtual Doctor Practice

We believe that accessing healthcare should be safe, simple and low cost without compromising quality. Our team is committed to helping people have delightful healthcare experiences.

Owned & Operated

Our doctor network is entirely owned and operated by our organization.

Board Certified for 5+ Years

Members have access to high-quality doctors who are 100% board certified doctors for at least 5 years.

Off-Hour/Weekends & 24/7

Virtual Urgent Care (Telemedicine) is available 24/7. Virtual Primary Care and Virtual Mental Health scheduling is available 24/7 for appointments during regular business hours, off-hours and on weekends.

Nationwide

We maintain a scalable network of available doctors in all 50 states and Washington D.C. to ensure patient choice and efficient wait times for new patient appointments.

Quality Assurance

FSH has a robust quality assurance process. Doctors and care team members are routinely assessed for quality of clinical guidance and “phone-side” manner.

Continuity

Our goal is to connect patients with doctors who understand their lived experiences. Patients can choose doctors based on age, race, ethnicity, bio, ratings and more.

Doctors

All FSH doctors (MDs/DOs) are board-certified in either Family Medicine or Internal Medicine. We maintain a scalable network of available doctors to ensure patient choice and efficient wait times.
